

Join the Connecticut Senior Games "SPIRIT CLUB"

The Connecticut Senior Games are growing and we need your help! The CSG have been in existence for over 25 years and the event has grown to over 1,000 athletes! This event is dedicated to inspiring active and healthy lifestyle for seniors, providing a unique forum embodying the Olympic spirit of competition, and recognizing and rewarding the senior athletes who chose to participate.

The CSG are one of the few Senior Olympic organizations in the country that does not receive any government, state or city funding, and we look to our community to support the growth of this event and help us achieve our mission for this year and years to come. Donations will be an essential addition to our sponsorships and entry fees, which are currently the backbone of the organization.

All donations are tax deductible as the Connecticut Senior Games are a 501(c)(3) non profit organization. Donations are annual and all benefits are applicable for the period indicated above unless stated otherwise.

Thank you for all of your support for the past 25 years and we look forward to making the next 25 even better!
